STATINTL

It has been brought to my attention that you have not submitted your usual monthly check in the amount of \$112.50 since November 1955.

It must be that you have had some financial misfortune, because I am sure that you would not intentionally overlook meeting this particular financial obligation when we have been so cooperative in establishing low monthly payments as requested by you.

It is requested that a check in the amount of \$337.50, representing payments for December, January, and February, be forwarded immediately.

Your prompt attention to this matter will be greatly appreciated.

Very truly yours,

STATINTL
